

The background is a fantastical, glowing landscape. At the top, a sunset or sunrise sky in shades of orange, yellow, and purple is filled with sparkling stars and light rays. Below the sky, two large, gnarled trees with dense foliage in vibrant shades of pink, purple, and blue stand on either side. The ground is covered in a variety of large, faceted crystals in colors like purple, blue, and pink, some of which are shaped like lotus flowers. In the center, a calm body of water reflects the golden light from the sky. The overall atmosphere is one of magic, wonder, and spiritual abundance.
